# EVENTS & PROGRAMS

## Fall 2019 Rock Recap

### Recap of Fall 2020 Rocks and Current Status

Rock #1: Plan and execute a CMAC continual educational event prior to the May 7<sup>th</sup> San Francisco 50<sup>th</sup> Anniversary Mixer.

Status: Incomplete

#### Results:

We were planning a job tour prior to the May 7<sup>th</sup> SF Mixer, but, due to COVID-19, the event was cancelled.

## Fall 2019 Rock Recap

### Recap of Fall 2020 Rocks and Current Status

Rock #2: Engage with Carpenters Union on interest with partnering on an event focused around the Carpenter Apprenticeship program

Status: Incomplete

#### Results:

We engaged with the Carpenters Union and they were going to host a mixer for the Carpenter Apprentice Interns at a restaurant/bar in Oakland, but, due to COVID-19 and the unknown SIP status in the Bay Area, we paused the planning on this event.

## Fall 2019 Rock Recap

### Recap of Fall 2020 Rocks and Current Status

**Rock #3:** Partner with the young alumni group on developing a structure for a Beta mentorship program to roll out in Fall of 2020.

**Status:** Incomplete

#### Results:

Collaboration with the Young Alumni Committee is ongoing. We will push rock into 2020. (Doc taking lead on this rock)

## Fall 2019 Rock Recap

### Recap of Fall 2020 Rocks and Current Status

Rock #4: Develop some type of event around the May CMAC meeting where CMAC can raise awareness of what CMAC is to the Cal Poly student body.

Status: Incomplete

#### Results:

Due to COVID-19, this event did not pan out for May 2020, but we have engaged with faculty on planning a collaboration around the Senior Project presentations for May 2021. We will roll rock into 2020.

# EVENTS & PROGRAMS
