# Young Alumni Fall 2019 Rock Recap

## Recap of Fall 2019 Rocks and Current Status

Rock #1: Hold a Q&A for seniors/upcoming graduates to give them a platform to ask questions about the first few years out of college.

Status: Incomplete

### Results:

We're thinking of creating a Young Alumni email that students can use to contact us and ask these questions.

Recap of Fall 2019 Rocks and Current Status

Rock #2: Help organize mixers (partner up with Events & Planning)

Status: Incomplete

Results:

With COVID-19, this has been put on hold. Maybe we can look into socially distant/Zoom mixers?

## Recap of Fall 2019 Rocks and Current Status

Rock #3: Create a POC list so that upcoming graduates know who to reach out to within their company on how to get involved in CMAC.

Status: Incomplete

### Results:

We feel the best way to accomplish this is for every company involved in CMAC, to email [MarloC@dpr.com](mailto:MarloC@dpr.com) with their POC, and then we can work on posting this list on the CMAC website.
