

BE THE **BUILDER** OF YOUR OWN **FUTURE**

ABOUT US

Nibbi Brothers General Contractors is a Bay Area builder that has constructed technically complex and iconic structures since 1950. At Nibbi, we value safety, honesty & integrity, social responsibility, opportunity, and family. We've earned a reputation for our unique family culture and offering opportunities to grow in a supportive (and fun!) environment.

OPPORTUNITIES

We are always seeking collaborative people to join our team!

All of our divisions (Nibbi General, Nibbi Concrete, and Nibbi SPS) are looking for:

- Interns
- Full-Time Hires

At Nibbi, we take building to the next level. We offer various services for our clients through our self-perform divisions:

- Nibbi Concrete
- Nibbi SPS (Self-Perform Services; Framing/Mass Timber)

Self-perform work offers numerous benefits to our projects, and it provides our team ample opportunities for continuous learning.
