## WHY CHOOSE CEI?

Because we focus on tapping into the strengths of each employee, we encourage them to learn, contribute, lead—and most importantly—add value at every turn. We believe that:

- It's not just a job, it's a career.
- You should like the people you work with.
- Good work should be rewarded.
- Reputation is everything—and we have a great one.
- We have a responsibility (and the passion) to positively impact the communities where we live and work.

## SAMPLE CUSTOMERS

## NEW GRAD OPPORTUNITIES

At CEI, we have exciting opportunities for recent or soon-to-be graduates in Engineering, Construction Management and related fields. Build a successful career foundation with our comprehensive on-the-job learning, problem-solving-based tasks and training designed for new grads. CEI currently has mega-project opportunities in Ohio, Oregon, Iowa, Utah, New Mexico and California.

## INTERNSHIP OPPORTUNITIES

CEI offers hands-on internships, designed to give a well-rounded experience, working alongside mentors who solve real-world construction industry challenges. We target internship candidates going into their third or fourth year of college who typically work full-time during the summer (10-12 weeks) for a competitive rate.
