WWW.DEMPSEYCONSTRUCTION.COM

DEMPSEY CONSTRUCTION, INC. is a San Diego-based company with licenses in California, Arizona, Nevada, Idaho, and Washington. Founded in 2010 by John Dempsey, a 37-year construction veteran, Dempsey Construction focuses on providing General Contracting services to commercial property owners and is staffed with seasoned professionals with resumes containing over 26 million Square Feet of construction improvements in the commercial sector. Dempsey Construction is able to deliver a truly unique blend of large-company experience, processes and quality of finished product, combined with the 'hands on' approach of a boutique company.

PURPOSE To be both a genuine builder of buildings and a grower of opportunity for our company, while unfolding ever-new potential for our team members and partners.

WHY WE EXIST To build with a culture of authenticity, respect, trust, innovation, performance, and human kindness that impacts our community and our world.

CORE VALUES Promise and deliver excellence. Create extraordinary experiences. Allow passion to drive value. Create trust through training. Have fun!

PILLARS Sustainable, fulfilling culture. Operational excellence. Serve our partners with purpose and character. Smart growth. Purposeful leadership.

WE ARE GENUINE BUILDERS.
